

Hayward Promise Neighborhoods

In collaboration with the Promotores
Academy of

Tiburcio Vásquez Health Center, Inc

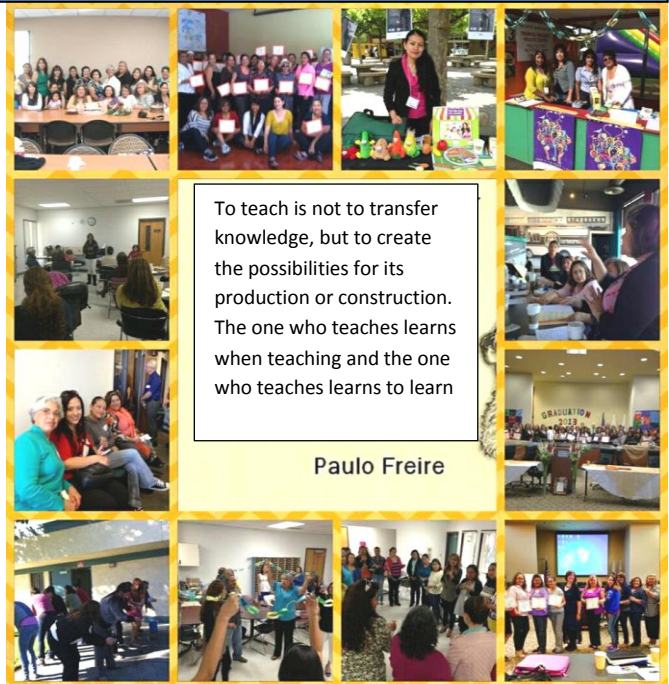

Invite you to participate in the training for

Health Promoters

During this training you will learn how to:

- ✓ Develop leadership skills
- ✓ Do effective community outreach
- ✓ Implement healthy living and diseases prevention strategies
- ✓ Effectively connect community needs with the resources available
- ✓ Organize and plan activities to promote healthier communities
- ✓ Lead and advocate for health initiatives
- ✓ And much more.....

- No prior education requirements
- The training is in Spanish
- Registration is open and space is limited. Priority will be given to people living in South Hayward or having their children in public schools located in South Hayward
- **You must call or send an email to register before August 3, 2018**
- Training begins tentatively on Tuesday, September 11, 2018
- 20 sessions of valuable learning that will take place at SIAC- 27211 Tyrrell Ave, Hayward
- These sessions will take place on Tuesdays, Wednesday and Thursday from 8:30 a.m. to 12:00 p.m.
- Child care will be offered- (limited available space)
